REMARKS

The rejection of claims 1-8 under 35 USC §112, 2nd Paragraph has been addressed by deleting “each,” “respective,” and “corresponding” in claims 1 and 3-8, as suggested by the Examiner, by changing “is respectively protruded” to –protrudes– in claim 5, and by re-writing claim 4 to clarify that the swivel arm is pivotally secured to the pivot holder by pivot means.

The phrase “pivotally secured” in amended claim 4 is used in lines 3-5 on page 8 of the original specification and therefore does not represent “new matter.”

It is noted that item 3 on page 3 of the Official Action indicates that the subject matter of claims 1-8 is allowable, pending further review and consideration.

Having overcome the sole rejection made in the Official Action, withdrawal of the rejection and expedited passage of the application to issue is requested.

Respectfully submitted,

BACON & THOMAS, PLLC
